Scarface Al Capone's Grandson to Release Memoir at Capone's Miami Estate on January 26, 2008 on the Anniversary of his Celebrity Grandfather's Death Sixty-one years later, Al Capone's grandson, Chris W. Knight, releases a memoir that chronicles his own painful yet courageous search to find the truth behind his notorious grandfather and family history

MIAMI, Jan. 11 /PRNewswire/ -- Chris W. Knight details in his memoir how he has uncovered the truth behind a family secret he heard as a young boy at his father's funeral. An unbelievable true story, his mysterious father lived his entire life with deep secrets rivaling fiction.

Growing up in a broken home, Chris details the abuse he and his sister suffered as a child and the shame they had to bear with not being able to share with anyone that their grandfather was America's most notorious mob boss, Al Capone, known throughout the world as Scarface.

A garden reception will be held at 93 Palm Avenue (the original Capone estate) in Miami Beach, Florida, beginning at 2:00 p.m. This event is being held in memory of the author's father and grandfather.

A portion of the proceeds from the sale of this memoir has been designated to benefit The Boys and Girls Club Of America and other select charitable organizations.
